Heartland Presbytery Junior High Camp

## 2010 Parent's Packet

You'll find in this packet a release form, a list of what to bring, a schedule and rules for our time at Clearwater this summer.

# General Info

## Goals of the Week:

- To give the students of the Heartland Presbytery a few days away from ordinary life and in God's beautiful creation.
- To challenge our students in their relationships with Christ through morning devotional time, evening worship and teaching of God's Holy Word.
- To create a wider view of Covenant Community as students from each church fellowship with like-minded believers of sister churches.
- To have a great deal of fun with friends old and new.
- For students to return refreshed, desiring to glorify God and enjoy Him forever.

**Dear Students:** I know you are coming with friends and you will want to hang out with them only. Remember that there are other brothers and sisters in Christ on this trip that could be a great encouragement to you or you to them if you take the time to step out of your comfort zone and get to know them. We'll ask you at times to interact with others and our hope and prayer is that you will do so with an enthusiastic attitude. We believe this will be a wonderful few days and wish for you to know that many of us have been praying for you during preparations for Clearwater.

**Payment:** If you have not paid already your payment is due before we leave for camp. You can bring a check the day we leave or mail it to the address below.
